BUCKY'S B-TEAM BRAWL

On November 23rd and 24th, Tennis club's B-team hosted their first ever tournament, Bucky's B-Team Brawl. The team recognized the limited number of opportunities for B-teams to compete, so they chose to host a tournament to provide more chances for teams to play. It was a weekend full of competition and fun, with positive feedback from all 7 teams invited. One of the highlights of the tournament was the match between Purdue and Wisconsin White. Wisconsin's Erica Lewis and Joe Wirtz went into a tiebreaker at 5-5 during their mixed doubles match. With a 2-4 score in the tie breaker, Wisconsin White won the next three points in a row on serves to win the tie breaker and the overall set, stealing the victory from Purdue! Teams were on the edge of their seats as they watched this one. University of Michigan ended in 1st place, with Wisconsin Red and Wisconsin White coming in 2nd and 3rd. Overall, this was a successful tournament the team hopes to make an annual event.

CYCLING'S SUCCESS IN CHINA

During the first week of November, Alex Meyer from the Cycling club was invited to compete in the Tour of Zhejiang for International Elite Universities. We want to congratulate Alex for winning the race in Longyu and coming in third in the race in Qiandao Lake Town! Over 110 athletes representing 7 nations were invited to compete in these road races. Alex's success at this event should not go unnoticed. He has represented UW-Madison well, so be sure to congratulate him the next time you see him!

WELCOME TO REC SPORTS!

We want to welcome the newest Sport Clubs on campus to Rec Sports, the Gymnastics club and the Men's Volleyball club! We are very excited for these clubs, and we hope they get off to a successful start.

We also would like to recognize a donation made by the Men's Volleyball club. They donated their old jerseys to the Ronald McDonald House here in Madison! The kids were very excited and grateful to receive these jerseys, and this was a great way for the club to give back to the community.

SPORT CLUBS MASTER PLAN FORUM

The Sport Clubs program will be hosting a Master Plan Forum on Wednesday, December 4th in the Lake Mendota Room in DeJope Hall starting at 5pm. This forum will also serve as the December Sport Club Council meeting, and is open to ALL club members. Attendees will learn about the Facilities Master Plan including: renderings and progress reports, facts about our existing facilities and the consequences of not taking action now to improve them, and visual comparisons between recreational facilities at UW-Madison and its peer institutions in the Big Ten. You will also be able to ask questions and give your feedback during an open discussion.

Mark your calendars now and don't miss this opportunity to impact the future of the Sport Clubs program and our university!
