ROCKIN' WITH RECSPO RTS

Another successful Rockin' with RecSports took place on Monday, September 2nd outside Gordon Commons and at Near West in the Lakeshore area. Hundreds of excited and curious students got the chance to learn about our sport clubs and ways they can get more active on campus. Music, free food and numerous other giveaways kept more and more students coming to check it out. Once there, the excitement and interest grew further as students discovered new clubs that they could join. Some clubs reported that 100+ students expressed interest! This event was a success, and we thank all the club members that were out there to answer questions and recruit.
